

## Shopkeeper

### Store orders

- Remove payment information for store order its not needed
- Destination location hakuna hata moja
- Product should be added upto the category we don't just add a single name mfano add protector- type- 21D , Brand- iphone 11... sio kuadd tu product moja haikupeleki categories !

### BULK ORDERS

- Destination location hakuna hata moja
- Product should be added upto the category we don't just add a single name mfano add protector- type- 21D , Brand- iphone 11... sio kuadd tu product moja haikupeleki categories !... Kwasababu anazo product nyingiii sanaaa a hundreds of different products
- Sijaona difference hapa nilisema kuna from shop na from store hakuna hio option akishajaza idadi then aseme from shop ni ngapi from store ni ngapi... then zile from store ndo ziwe deducted .. from shop zibaki tu as numbers

## STORE KEEPER

### Adding stock

|                                      |                                   |                                      |
|--------------------------------------|-----------------------------------|--------------------------------------|
| <b>Purchase Price:*</b>              | <b>Profit Margin (%):*</b>        | <b>Selling Price:*</b>               |
| <input type="text" value="\$ 0.00"/> | <input type="text" value="25.0"/> | <input type="text" value="\$ 0.00"/> |
| <b>Product Description:</b>          |                                   |                                      |

We don't need this kabisa itoe kabisa purchase price profit and selling we don't need them

### Product Details

|                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                        |

Products ziko mbili tu ... protector na Covers , kwaio awe prompted kuchagua either of the two .

Then category yake ya kwanza iwe ni protector gani au cover gani maybe hii ni privacy protector .... Then sub sub category iwe ni ya simu gani mfano iphone 11 au Samsung s21 ... na awe anauwezo wa kufilter by product(cover or protector) category(aina ya hio protector au cover ) and sub category (ndo brand yenyewe iphone 11 )

| Select                   | Business Location | Opening Stock |
|--------------------------|-------------------|---------------|
| <input type="checkbox"/> | Branch Office     | 0.00          |
| <input type="checkbox"/> | Headquarters      | 0.00          |

**i** Enable the checkbox and set initial stock levels for specific shop branches.

Hizi majina zibadilike ziwe store 1 and store 2
